IRAS will not be liable for any losses or damages, loss of income, profit or savings, or indirect, incidental, special, consequential or punitive damages arising from or in connection with the use of any of the above accounting software.

### **Infocomm@SME**

To encourage businesses to improve their record keeping standards with the adoption of accounting software, IRAS has partnered the Info-communications Development Authority of Singapore (IDA) to provide a subsidy to businesses which purchase any of the accounting software listed above.

Businesses (GST-registered and non-GST-registered) can obtain a subsidy under IDA's iSPRINT (Packaged Solutions) scheme, subject to qualifying conditions, to defray the cost of adopting accounting software. Businesses can refer to IDA's [website](#) for more information.

## **Software owners interested to list their accounting software in IRAS' Accounting Software Register**

If you would like to list your accounting software in IRAS' Accounting Software Register, please refer to [Information for Accounting Software Developers](#).
